Why use UK Estimating Support?

Why use UK Estimating Support?

- You need to win more work
- Need to tender more cost effectively
- Cover for staff holidays
- Peaks in enquiries
- Insufficient in-house resource
- Tendering for contracts in new market sectors

Estimating Support are here to help. We can't guarantee to win you work but we can guarantee a professional, cost-effective, confidential and punctual estimating service.

Our estimating service can give you a competitive advantage by providing you with an additional estimating resource just when you need it and without permanently increasing your overheads.

Frequently asked questions

Why should we choose UK Estimating Support Ltd?

Experienced across a wide range of industries.

Experienced in multi-disciplined M&E led projects.

We are ECA and HVCA members and listed consultants.

In our customer satisfaction KPI's, 100% of our customers said that they would use us again and would recommend our services.

What if another customer sends you the same enquiry?

We work exclusively for you. Our terms and conditions are based on mutual confidentiality.

How can I be sure it will be right?

Our combined industry experience exceeds 150 years with national contractors such as Drake & Scull, Crown House, Farebrother, MJN Colston, Sulzer, How and Mitchell & Hewitt.

How much does it cost?

The fee is based on a reducing % of the net estimate value (after your trade discounts).

What prices do you use?

We use SEC estimating software with a database of over 500,000 items, updated weekly.

The prices are direct from the manufacturer. We apply your standard discounts to arrive at a net material cost.

What do you provide us with?

- Final page report
- Full take off details report
- Schedule of rates report
- Section summary
- A model tender letter
- All of the quotes we have obtained on your behalf, bound together, in one easy to use pdf document.
- All tender documents, drawings and specs can be downloaded from iPost at any time.
